

Red Rock Canyon Park

23601 West Red Rock Road, Topanga, California, 90290

Red Rock Canyon is a unique riparian canyon within a sandstone gorge. It contains special rockland micro-habitats and acts as a key northern habitat linkage between Malibu Creek and Topanga State Parks.

Directions: From the 101 Freeway, exit Topanga Canyon and head south. Turn right on Mulholland Highway, then left onto Old Topanga Canyon Road. Go 3.6 miles south to Red Rock Road.

From Pacific Coast Highway, head north on Topanga Canyon Boulevard, then west on Old Topanga Canyon. Go 1.7 miles to Red Rock Road. Two-tenths of a mile on Red Rock Road is dirt and unimproved.
