

Tuna Canyon Park

Big Rock Drive, Malibu, California

The stunning Tuna Canyon property parallels more than two miles of the Pacific Ocean in Malibu and provides dramatic, 360-degree views from the San Gabriel mountains to the Santa Monica Bay. Deep canyons and ridges support a rich mosaic of coastal Southern California plant communities including sycamore riparian woodland, oak woodland, coastal sage scrub, and native grasslands.

Directions: From Pacific Coast Highway (PCH) in the City of Malibu, take Big Rock Drive. Head north for approximately two miles. Tuna Canyon Park is located at the junction of Big Rock Mountainway and Tuna Canyon Road.
