

**Many public programs,  
including campfires  
and nature hikes, will  
no longer be offered  
by the MRCA as of  
July 1, 2016.**

We regret that elimination of state funding previously available for these programs have caused us to cancel these beloved park traditions. We are actively seeking alternative funding so that these programs can be reinstated. For more information, call (310)858-7272 x131.

**Follow us on social media for updates  
on our programs!**
